

**2024**

**O LORD above, we meet again,**

**But looking ahead, we know not when!**

**Dinners like this may be no more,**

**But we do have plans in our Committee store.**

**Lots of us want to stay quite loyal**

**To the sorts of events which could be quite royal!**

**Whatever the trends,**

**We like meeting our friends.**

**Guide us, LORD, to something with weight,**

**That resembles the Spirit of 208!**

**Amen**
